

# JB WOOD CLAUSTRA

## **Room divider: ideal for privacy in landscaped offices**

JB WOOD CLAUSTRA from Beddeleem lends itself perfectly to screen off a zone or divide the room with a visual separation.

The natural look of JB WOOD CLAUSTRA creates a warm and relaxed atmosphere in any interior, which is indispensable when designing contemporary workplaces. After all, we all work longer and employees place ever-higher demands on the design of their office space. JB WOOD CLAUSTRA provides the necessary privacy.

## **Natural and warm appearance thanks to the wooden slats**

Furthermore, the use of natural materials (wooden slats) provides a durable and timeless touch.
