

BEDDELEEM

— JB WINDOW

B

— JB WINDOW

Like JB DOOR products, JB WINDOW glazed units offer quick installation, excellent finish details, flexibility and customisation.

They are dry fit-out systems which are delivered to the site ready for use and are easy to install.

JB WINDOW units are perfect for installation in fixed walls (e.g., plasterboard, masonry, etc.).

Available as fixed glazed units and as counter windows.

Glazed units

JB WINDOW glazed units are available in several variants. For joining the glass plates, you can choose a vertical stud or glass against glass.

The range is divided into the following categories:

- JB WINDOW FIX, steel window frame
- JB WINDOW MPX, multi-ply window frame
- JB WINDOW BLOK, solid wood window frame

PRODUCT INFORMATION

DIMENSIONS

JB WINDOW is available in different dimensions – please enquire about the available options.

PAINTWORK

With JB WINDOW FIX, all visible profiles are available in a RAL colour of your choice. Ask for our Materials brochure to see the current range.

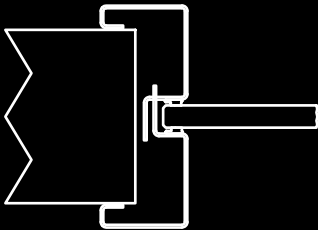

FIRE RESISTANCE

JB WINDOW glazed units comply with the following technical requirements, depending on the glazing and the frame:

	EI00	EI30	EI60
FIX	•	•	•
MPX	•		
BLOK	•	•	•

A number of changes are made to the glazed units compared to the EI00 glazed unit in order to achieve the necessary fire resistance. These changes are described in detail in the separate test reports which are available on request.

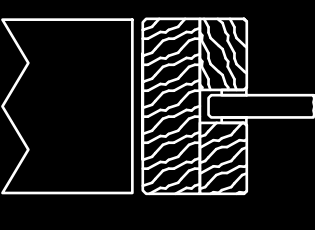

Note: all certificates are available on request.
